

WELCOME!

We are pleased you have chosen to visit our office today. It is our goal to provide you with the very best care in a friendly and comfortable environment. We understand the importance of excellent vision and the positive impact it can have on your life.

When considering a vision correction procedure, financial considerations should not be an obstacle in obtaining the eye care you deserve. Our goal is to provide you with the latest eye care technology available today affordable for any budget. It is for this reason that we make our ophthalmology procedures affordable, by offering a combination of expertise, experience and advanced technology at a price everyone can afford. To help make these services more affordable, our practice offers an easy to use payment plan through our patient-financing partner, ChaseHealthAdvance.

By completing a quick and simple application, we can qualify you for financing during your visit here today. There is no fee to apply and it is a completely voluntary and confidential application.

We offer the following affordable payment plans:

- **12 Months No Interest** – for purchases above **\$1000.00**
- **18 Months No Interest** – for purchases above **\$2000.00**
- **24 Months No Interest** – for purchases above **\$3000.00**
- **Extended Payment Plan²** – for financing **\$1,000 or more** – A revolving line of credit with lower minimum monthly payments due until the balance is paid-in-full.

Please indicate if you are interested in getting more information about the financing options we offer.

Yes, I would like more information on No Interest and Extended Payment Plans.

Thank you for coming in today. We will be with you shortly.

¹ **No Interest Payment Plans:** Purchase balance must be paid in full within the promotional period (6, 12, 18 or 24 months), all minimum payments must be made and account must not otherwise be in default during the promotional period or finance charges will be assessed on the balance due from the purchase date at the Annual Percentage Rate (APR) of 24.75% to 27.99% (depending on credit history at the time of account funding). Length of the promotional period could be shorter depending upon the timing and amount of your payments and the type of other account balances. **Default Rate:** Equal to the non-default APR for a particular plan, plus up to 10.00%, not to exceed an APR of 30.00%.

² **Extended Payment Plans:** Fixed payments are required each month throughout the specified extended financing period (24, 36, 48 months until the balance is paid in full. Finance charges will be applied to the balance due at the Annual Percentage Rate (APR) of 11.99% to 27.99% (depending on credit history at the time of account funding). Exact terms will be supplied to you prior to opening your account).
